

A Note on Barbara Eden Fan Club Rules & Guidelines:

The following rules and guidelines apply to members of Barbara Eden's one and only official fan club, maintained by Team Eden (her official team). If you do not agree with a rule, you cannot join the fan club. These guidelines are in place to make sure that everyone is able to enjoy the perks of the fan club in a safe & drama-free environment.

If everyone abides by the rules, Team Eden can offer more fun stuff; if people don't abide by the rules, Team Eden members have to deal with resolving issues and won't have as much time to put together fun stuff for fan club members. Please be courteous and respectful whether online or offline. The world is a big place, if you want to be nasty or troll it up, go elsewhere.

Any questions about these rules, please direct them to a member of Team Eden and/or BarbaraEden.net Customer Service (<https://barbaraeden.net/contact-us>).

Finally, these rules are part of a living document, and it will be continually edited or updated as needed. If there is a change in the rules, it will be updated on the BarbaraEden.net. Please check the rules posted on BarbaraEden.net from time-to-time to see if they have been updated. (When you renew is always a good time to see if anything's new or changed.) The rules have a "Last Updated By" date at the end that will help in determining if they have recently been updated.

Thank you for your continued support of Ms. Eden & we hope you enjoy your membership in her official fan club!

- Team Eden
